Description

Looking to sail extensively offshore? Or maybe extended coastal cruising with space and comfort to burn? Then you need to view this iconic kiwi built beauty. With proven global offshore cruising capabilities, this high performer demands your inspection and consideration. Currently in its second only ownership since it was launched in 1987. All the while being meticulously maintained under a professional maintenance program, ensuring the meticulous upkeep throughout. This yacht is big, strong, powerful and very safe. With the Master cabin and 4 guest cabins there is room for large families or load up your friends and get out there. Looking after those on board is made easy with a practical galley, several toilets and showers with ample fresh water storage and a water maker as back up. There is literally too much equipment and too many features to itemise. We have compiled a brief inventory so do have a read through. Full details can be provided through enquiry.
